Tailored Payphone Solutions

Evotec offers rental, purchase and maintenance options with volume pricing for new agreements for five or more payphones.

Choose the ownership option that suits your needs:

- Premium Service Payphone - includes Payphone & Line Rental + Coin Collection \$79* per month
- Payphone-only Rental - \$49* per month
- Payphone Purchase \$1199*
- Payphone Support - \$29* per month.

* These payphone solutions are available only on installations and agreements of new Evotec payphones. These solutions apply only for replacing an existing payphone. Other installations may require additional charges for installation and cabling costs. Due to travel times, installations and agreements at locations outside metropolitan areas may attract additional charges. For rental and support agreements, the minimum rental period is 3 years and the cost of repairs due to damage caused by vandalism, negligence, accidents or acts of God is not included.
