

Telstra Data+Tablet Plans are data-centric plans specifically designed for postpaid mobile tablet devices.

You have the choice of purchasing a mobile tablet device outright or via Optimised MRO and then connecting this device onto a Telstra Data+Tablet Plan.

Telstra Data+Tablet Plans are available on 24 month plans only.

Features	Advantages	Benefits
Telstra Data+ Tablet Plans	Included data and call allowance	A plan that meets your data needs with the value of the included data allowance
Latest in mobile tablet devices	All in one device for mobile internet and entertainment whilst on the go	Allows you to have mobile internet access on Australia's number one network

Payments

For the duration of your Telstra Data+ Tablet Plan plan term, you will be required to:

- Pay the minimum monthly spend each month
- Pay for [Optimised MRO](#) amount, once the MRO Bonus has been applied to off-set the total amount (where applicable).
- Where you have a compatible device, pay for any calls and usage that are not eligible calls and usage
- Where you have a compatible device, pay for any eligible calls and usage made over your monthly included value amount (as applicable).
- Customers will not pay for calls of the type and value included within the monthly included value amount.

PlanTerm	24 months			
	[^] charged per KB [#] charged in 30 second blocks [*] per message, per recipient To access call/SMS capability, SIM must be placed in a call/SMS capable device. Not all devices are compatible. The Motorola XOOM and Acer Iconia Pro do not have call/SMS capability. All prices quoted above are GST inclusive. All charges for use in Australia. For charges while overseas go to Our Customer Terms . Note: When calculating data volumes: where the volume of data transferred is not a whole number of kilobytes, it is rounded up to the next kilobyte at the earlier of the end of each session or 24 hours; and 1024 bytes = 1 kilobyte (KB) and 1024 kilobytes = 1 megabyte (MB). Charges for excess eligible data usage are calculated per kilobyte.
