EVOTEC
InfoBrief

The range of HP Probook 4540S notebooks, optimised for Windows 8 Pro, are ideal for SMBs.

They offer multimedia tools, easy-to-use security, aluminum casing for added protection and 15.6-inch diagonal HD display.

Features

- ENERGY STAR® qualified configurations available

- Aluminum casing offers extended durability. Smudge-resistant and wear-resistant HP DuraFinish keeps the metallic gray color looking polished.

- Spill-resistant keyboard helps protect electronics and components from minor spills with a thin layer of Mylar film under the keyboard.

- HP 3D DriveGuard helps protect your hard drive against impact, bumps and drops.

- Easy-to-use yet robust security features, from fingerprint swipe to face recognition, safeguards your data from unauthorized users

- AMD Dynamic Switchable Graphics automatically switches between quality graphics for presentations and movies back to battery-saving mode when every day applications are used.

- 15.6-inch diagonal HD display. Whether you're looking for a highly portable notebook, a laptop with a large display or somewhere in between, these laptop computers answer the call.

- HDMI port to plug into a large display

- On-board HD Web Cam for HD Video and videoconferencing. ArcSoft Total Media Suite can be used to initiate webcam and personal photo editing and video recording.
