

Perfect for the on-the-move professional, the new GALAXY S4 has six amazing new features:

1. **Dual Camera and Dual Shot** – simultaneously shoot front and rear so every moment is captured with the 13MP dual camera.
2. Use **Drama Shot** to photograph moving images and then merge them into a collage.
3. **Sound & Shot** means you can capture sound with photographs.
4. **Air Gesture and Air View** – answer calls or scroll by waving your hand across the screen. Preview emails and texts or speed dial by hovering your finger over the screen.
5. **Smart Scroll** – Scroll through emails with no touch required, just tilt from side to side.
6. **Smart Pause** – stop a movie if you look away and resume it when you look back at your screen.
