

For organisations with a large fleet of mobile phones and devices, Evotec are your experts in Mobile Fleet Management.

Our customers find our mobile fleet management services remove the headaches and stress in managing large mobile fleets and allow their own staff to focus on their core role and business.

We will provide an Evotec Account Manager who is your single point of contact for all your mobility needs.

Backed by our mobile provisioning teams in Sydney, Brisbane and Melbourne, your Account Manager will deliver a dedicated, SLA-based and quality-assured mobile fleet service.

We service your mobile, connections and disconnections, overseas roaming, data packs and contract maintenance.

Call one of our Mobile Fleet consultants on 1300 133 966 for an obligation-free assessment of your mobile fleet needs.
