

Telstra

Telstra Corporation Limited is an Australian telecommunications company which builds and operates telecommunications networks and markets voice, mobile, internet access, pay television and other products and services.

Telstra Linking Your Business Together

Telephone System

Evotec are dealers for Alcatel, LG Aria, Siemens and Hybrex ...and not just dealers: Evotec have a fully trained staff of technicians for installation, support and maintenance. We are trained and registered as Aria and Alcatel TBS dealers. The TBS range of products allows us to work closely with Telstra, and some of the world's leading telephony companies to create leading solutions.

Telstra Solution

Evotec are an award-winning Telstra dealer We know carriage. Fixed, mobile, data...PSTN, ISDN, EVDO, GPRS...the terms are like a foreign language sometimes, but we promise to provide sales and support staff who can take the lingo out of IT&T. You need to understand, and we want to help. In addition, whatever your hardware needs - Nokia, Blackberry, Siemens, Motorola, Bigpond, Telstra Internet Direct....we can help.

IT

Evotec are dealers for Compaq, Hewlett Packard, Microsoft and many more leading brands Servers, printers, desktop or laptop, laser or inkjet, monitors, pocket PCs and so much more. We don't just sell this equipment, we back it up with installations and support from our team of MCSE qualified engineers. We are especially proud of our work with Australian schools - helping to build Australia's future

About us

With a portfolio unequalled in its breadth and flexibility, over 30 years' experience and three national offices, Evotec are committed to designing, implementing and supporting innovative technology solutions based on the unique requirements of your business.
