

Who are Atos?

Atos is a global leader in digital transformation with 110,000 employees in 73 countries and annual revenue of € 12 billion. European number one in Cloud, Cyber-security and High-Performance Computing, the Group provides end-to-end Orchestrated Hybrid Cloud, Big Data, Business Applications and Digital Workplace solutions. The Group is the Worldwide Information Technology Partner for the Olympic & Paralympic Games and operates under the brands Atos, Atos|Syntel, and Unify. Atos is a SE (Societas Europaea), listed on the CAC40 Paris stock index.

The purpose of Atos is to help design the future of the information space. Its expertise and services support the development of knowledge, education and research in a multicultural approach and contribute to the development of scientific and technological excellence. Across the world, the Group enables its customers and employees, and members of societies at large to live, work and develop sustainably, in a safe and secure information space.

Atos Unify Solutions

The Atos Unify portfolio is inspired by the workplace of the future. Atos Unify is working now to develop the tools and platforms that enable tomorrow's workers and organisations to not only survive, but truly thrive.

Cloud Collaboration – Everything your team needs to collaborate and communicate in a single app. Voice, video, screen share, chat and file sharing and much more.

Phone and Clients – Choose from a broad range of desktop, mobile and soft phone clients that feature industry leading engineering and cost-efficient network management.

Voice Platform – Secure and scalable Unified Communications platform for any IT, voice and application environment.

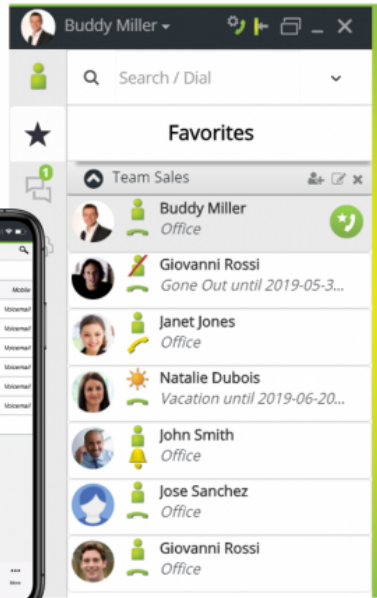

Contact Centre Platforms – Balance service, support and budgets and inbound, outbound or both. Unify's multi-channel contact centre solutions help you achieve your business goals.

UC Applications – Easy-to-use, award winning Unified Communications applications help streamline your communications and make everyone more productive.

Small and Medium Businesses – Improve your performance and take your business to the next level with Unified Communications specially tailored to small and medium businesses.
