## Backup & Replication

Operating a business can be overwhelming. You're managing your own IT with limited time, smaller budgets and fewer resources. You're forced to do more with less. This is why you need a backup solution that just works.

Veeam provides a single platform for cloud, virtual and physical backup. This includes backup and recovery for VMware vSphere, Microsoft Hyper-V, Nutanix AHV, Windows and Linux Physical Servers, NAS, AWS, Azure, Office 365 and more.

Evotec Infobrief | 1300 133 996 | [www.evotec.com.au](http://www.evotec.com.au)

Overcome the "3C Backup Problem" — lack of capabilities, complexity and cost — with the best backup solutions for small business | 1

businesses.

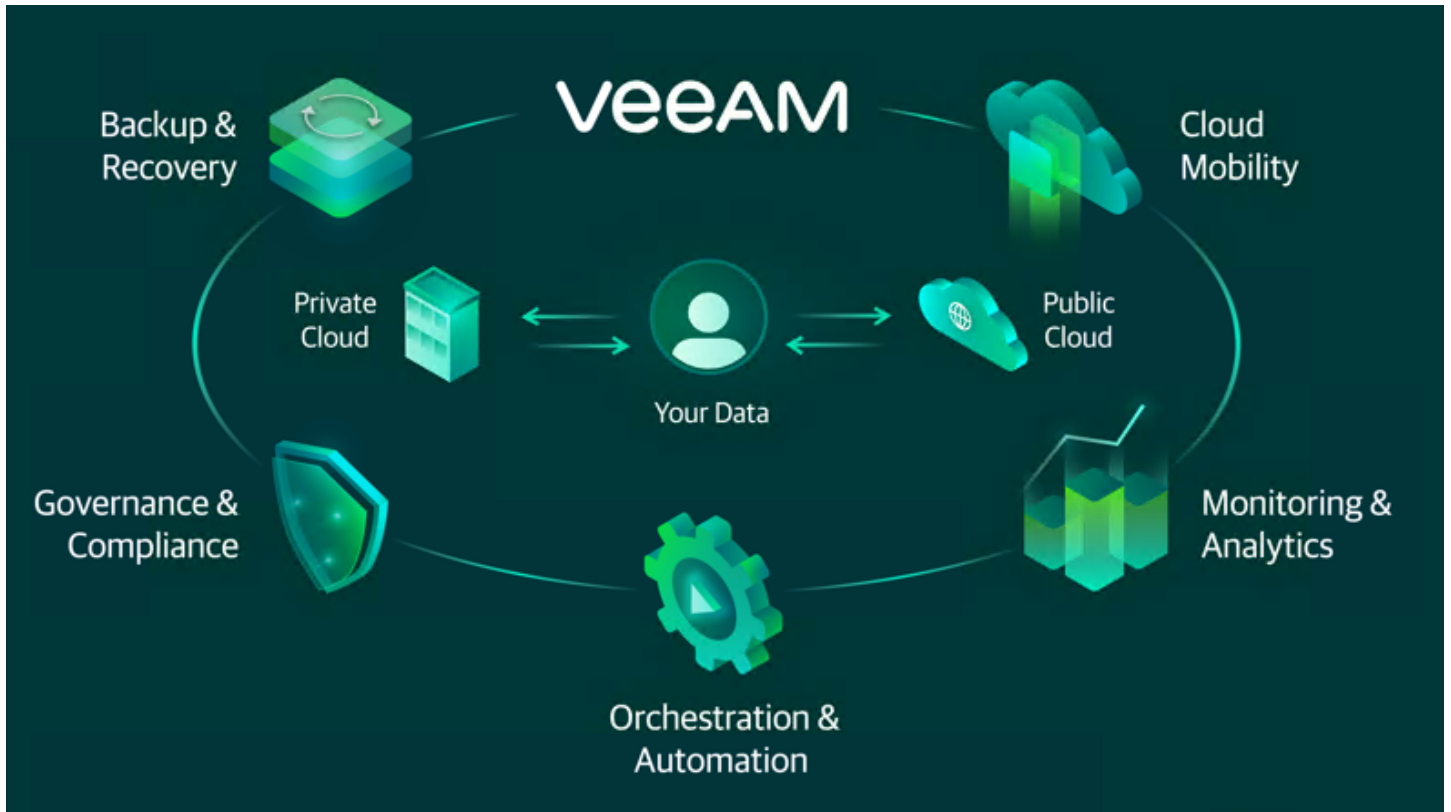

### Intuitive backup, instant recovery

Intuitive backup and instant recovery with built-in application-aware protection.

Automated backup testing with 100% verified recovery of small business data.
