

Telstra Online Bill is a free\* service that enables you to view, manage and pay your Telstra bills online.

- View and pay Telstra bill via a compatible handset (via a WAP2.0/XHTML compatible mobile device/handset)
- View mobile data usage via the handset or desktop/laptop
- View calls yet to be billed
- View up to 13 months bill history when accessing bill online via a PC

How to register Telstra Online Bill?

- Go to [telstra.com/myaccount](http://telstra.com/myaccount) and clicking the 'register now' button.
- Follow the instructions on the screen to complete the registration process.

How to access Telstra Online Bill via the mobile handset?

- Once you complete your registration, you can access online bill via the BigPond portal on your handset (or via a desktop/laptop)

\*You may incur costs accessing the Internet from your PC or laptop computer. There are no access costs associated with accessing Telstra bills on your mobile from your compatible handset
