

BusinessLine® Casual Plans

This is mainly for lines that mainly take incoming calls or dedicated to faxing – for lines that don't make many outgoing calls.

BusinessLine® Basic Plans

Basic Plans are for those who make mostly local calls. It gives you unlimited local calls from just \$60.00 per month.

BusinessLine® Everyday Plans

Everyday Plans are for those who make a combination of local calls, STD calls and some calls to mobiles.

BusinessLine® Max Plans

A Max Plan is for businesses that make a lot of calls but want to control their costs. It offers unlimited local calls, unlimited national long distance calls and unlimited calls to most mobiles in Australia for \$130 per month.

Features

BusinessLine Casual, Basic, Everyday and Max include:

- Full network access connecting you to the world, so you have the freedom to use the line for internet access or faxing
- Call Waiting, 3-Way Chat and Call Forwarding, Call Return and Call Back Busy, making it even easier to keep in touch (Call Return is not available for blocked calls and usage and call charges apply)
- A standard White Pages® directory listing and Directory Assistance, helping to increase your business visibility within Australia.

BusinessLine® Complete Plans

BusinessLine Complete Plans provide you with an inexpensive fixed phone line, which most people use for internet access or faxing. They also include value features like Call Waiting, 3-Way Chat and Call Forwarding, Call Return (not available for blocked calls) and Call Back Busy (usage and call charges apply) – making it even easier to keep in touch. You also get a standard White Pages® directory listing and Directory Assistance for increased business visibility within Australia.
